Nepal Ministry update June 2022

Accepting Jesus as "Personal Lord & Savior"

"If you declare with your mouth, "Jesus is Lord, "and believes in your heart that God raised him from the dead, you will be saved"- Romans10:9 Things are terrible but God is at work and He is using us to share the message of salvation to the people living around us. Praise God that we were able share gospel to as many as people living in and around Western Nepal. 9 people from strong Hindu and Buddhist backgrounds put their trust in Lord Jesus Christ. God is working even if we cannot see it. We are getting more inspired and motivated. Jesus said, "I will build my church, and the gates of hell will not prevail against it". With the Lord's help and your prayer partnership with this ministry, our pastors and people continue to reach out to the lost. We're growing and God is using our brothers and sisters who have no Bible training to win souls and plant new churches in the uttermost parts of the unreached areas of our region. Everywhere we go we preach a simple message of God's love and His Grace, yet, people are turning to the Lord. This is the power of your prayers!

Jesus heals if we confess our sins and believe in Him

One of believing woman named Sita who had come in Christ almost two years ago through our church planters but her husband hadn't believed in Christ Jesus. Sita has a daughter who was sick from many months, she became unconscious time to time. They took her many hospitals to get good treatment but none of the doctor could find proper medicine for their beloved daughter. Sita was troubled because of this girl's unsecure life so our church planters decided to do fasting and prayer for one week in their congregation. The congregation constantly prayed for this girl and suggested Sita's husband to receive Christ. Specially our leader there challenged him to confess sins and believe in Christ to in order to get recovery this girl from undiagnosed disease. Praise God he recently agreed to receive Christ so our leaders shared him about Christ Jesus and salvation through Him. On part of prayer, he

kneeled down and received Christ as his personal savior and the Lord. They prayed continue for girl's complete healing. Thank God that this girl healed from that sickness. Now Sita goes church with her husband and kids with thankful heart and they praise God for this miracle.
